Oleksandr Klep, Ph.D.

Head of Customer Success, at 3dEYE Inc.

3dEYE is the world's leading **Pure Cloud Video AI Platform** for the physical security industry. Certified customers have proven their expertise in theoretical and practical knowledge through live training and a 2-step certification exam, demonstrating a strong understanding of the **3dEYE Cloud Platform**. The holder of this certificate herewith is eligible for priority 2nd tier technical support service with **3dEYE Inc** and will be distinguished in **3dEYE tech support** centre as such.
